COURSE REGISTRATION: The first 20 students will be registered for in person attendance, but we can host 10 virtually along with the in-person attendees. Submit a nomination letter (Attachment A) to the Training Section via email. Nominations must be submitted through your unit's Environmental Compliance Coordinator (ECC). Ensure nomination is hand or digitally signed and submitted **TWO WEEKS PRIOR TO CLASS**. Course start time is **0730** in building **2282**.

*** This course has an online pre-requisite: USMC Introduction to Hazardous Material and Hazardous Waste Course (HQCHMHW01); available on Marine Net.** Students must upload this certificate on the Marine Net MOODLE site and complete a read ahead as a first assignment. Students will receive an email from Marine Net MOODLE with access and directions to complete 8 hours of asynchronous training prior to attending the in-class portion of the course. Students that do not complete the Marine Net pre-requisite or asynchronous Phase I of the course, risk disenrollment.

**** This course has an online pre-requisite: USMC-Hazardous Material Transportation for Drivers (MCIEHMT01A): available on Marine Net.** Students attending must upload

this certificate on Marine Net MOODLE and complete lesson one read ahead as a first assignment.

I MEF requires **Security Awareness** class to be taken online at <http://dothazmat.vividlms.com/>, **New Users** click on "register now", once registered enroll in "8.0 Security Requirements" and take the course. Certificate to this class is submitted to your licensing official.

*****The mandatory monthly Environmental Compliance Coordinator Meeting (ECM)** for unit ECC's is held the second Tuesday of every month in Building 2282 from 1330-1430. This meeting is open to all military and civilian employees that have HM/HW environmental responsibilities. The ECM virtual link is:
<https://meeting.marinenet.usmc.mil/eccmeeting/> when conducted virtually.

ADDITIONAL INFORMATION AND POINTS OF CONTACT

1. **Course nomination letters must be submitted by the unit ECC.** Ensure the nomination is hand or digitally signed by the ECC, then forward course nomination letters and training requests to:
PNDL_Training_Environmental_Security@usmc.mil.
2. Students seeking AMOS 8056 (HM/HW Marine) must complete the Introduction to HM/HW course (online via Marine Net):

Step 1: Attend classroom HM/HW Handler course.
Step 2: ECC's or AMOS seekers see (attachment B) or download information at:
<https://www.pendleton.marines.mil/Main-Menu/Staff-Agencies/Environmental-Security/Document-Library/Environmental-Training/>
Step 3: Complete all installation specific additional training courses (see Attachment B). <https://www.pendleton.marines.mil/Main-Menu/Staff-Agencies/Environmental-Security/Training/Classroom/>
Step 4: Request permission to access MOODLE 8056 and submit by uploading **ALL** of the completed certificates in Moodle at:
<https://elearning.marinenet.usmc.mil/moodle/course/view.php?id=5423> and email or bring the signed MOS 8056 checklist to the Environmental Security Training Section (Building 2282) for approval.
Step 5: The completed checklist with Commanding Officer signature may also be emailed to PNDL_Training_Environmental_Security@usmc.mil with a digital signature.
3. To schedule onsite unit training (pending availability of instructors), or for any other questions, please contact the Training Section by email at PNDL_Training_Environmental_Security@usmc.mil or by phone.

Points of Contact: Training Classroom (760) 725-9775/9776/7308

Mr. Johnny Montez
Mr. Rob Casillas
Mr. Paul Vogel
